

Announcement for Final Project

The due date is 26th of May.

Each group has to

submit code and a report to explain their idea and operation.

show the simple demo before the due date.

Intermediate result report dates are 7th ~ 9th of May (2:00 ~6:00)

Each group has to

bring their detailed idea and plan (how to implement) for the final project

(You may bring your working code. But, you should come with **Makefile**.)

Policy:

- Credit will be given to intermediate report (25%) and final result (75%)
- Contact Dr. Tae Rim Park for submitting all results
 - taerim@ee.cuny.cuny.edu, 212-650-7219
 - Office: T520
- Some groups may have similar ideas. But, it is impossible to have same code. If the same codes are found in different groups (even small part), the groups (even the group who make the original work) will receive **zero credit** for the final project.
